Case No. 3:24-cv-03245-AMO

**PLAINTIFF SAMSUNG'S NOTICE
REGARDING AMENDED
COMPLAINT**

Judge: Hon. Araceli Martinez-Olguin

1 Plaintiffs Samsung Electronics Co., Ltd. and Samsung Electronics America, Inc.
2 (collectively, “Samsung”) respectfully submit this Notice to inform the Court that they do not
3 intend to file an amended complaint.

4 On May 30, 2024, Samsung filed its original Complaint initiating this action, seeking a
5 declaratory judgment that its products do not infringe five patents owned by Defendants Oura
6 Health Oy and Ouraring Inc. (collectively, “Oura”). Dkt. 1. Two weeks later, on June 14, 2024,
7 Oura filed its Rule 12(b)(1) Motion to Dismiss for lack of subject matter jurisdiction, arguing that
8 there is no actual controversy regarding infringement between the parties that could support
9 declaratory judgment jurisdiction. Dkt. 29. The Court granted Oura’s Motion to Dismiss on March
10 27, 2025, giving Samsung leave until April 25, 2025 to file an amended complaint asserting any
11 additional allegations against Oura. Dkt. 57. Samsung therefore informs the Court that Samsung
12 does not intend to file an amended complaint.

13 Dated: April 25, 2025
